LOGO USAGE GUIDELINES

Placement, Sizing & Prohibited Uses

LOGO PLACEMENT

CONTEET	PLACEMENT RULE
Print Documents	Place in upper-left or lower-right corner. Maintain clear space equal .35 inch space all the way around.
Digital / Web	Use PNG with transparent background. Minimum 90px height for web display. Do not place on busy photographic backgrounds without an approved color backing or transparency.
Social Media	Place on approved brand color backgrounds (Golden Yellow, Black, or White only).
Presentations	Place on title slide upper-left or lower-right. Use full-color version on white/light backgrounds; white reverse version on dark/black backgrounds.
Co-branding	When pairing with partner agency logos, maintain equal visual weight. The TranStar logo must never be smaller than partner logos in official campaign materials.

SIZING REQUIREMENTS

APPLICATION	MINIMUM SIZE	RECOMMENDED SIZE
Print — Full Page	1" wide	2" – 3" wide
Print — Half Page / Flyer	0.75" wide	1.5" wide
Digital — Website Header	120px wide	180px – 240px wide
Digital — Social Media Profile	200px × 200px	400px × 400px
Digital — Email Signature	80px wide	120px – 160px wide
Signage / Banner (large format)	4" wide	6" – 12" wide

CLEAR SPACE RULE

Always maintain a minimum clear space — .25 INCHES around all sides of the logo. This space must remain free of other text, graphics, logos, or design elements. The clear space scales proportionally as the logo is resized.

LOGO USAGE GUIDELINES — CONTINUED

Approved Backgrounds & Prohibited Uses

APPROVED BACKGROUND COLORS

Use only the approved logo versions on the background colors listed below. Never place the logo on unapproved color combinations that reduce contrast or legibility.

<input type="checkbox"/> White Background	Use full-color or black logo version. White back ground can be used at 80% transparency.
<input type="checkbox"/> Light Gray Background	Use full-color or black logo version.
<input type="checkbox"/> Black Background	Use full-color or white/reversed logo version. Black back ground can be used at 80% transparency.
<input type="checkbox"/> Golden Yellow Background	Use black logo version only.
<input type="checkbox"/> Dark Gray Background	Use full-color or white/reversed logo version.

PROHIBITED USES

The following uses of the Houston TranStar logo are strictly prohibited. Unauthorized or improper use may result in legal action.

<input type="checkbox"/> Do not stretch or distort	Never scale the logo non-proportionally. Always hold Shift when resizing to maintain aspect ratio.
<input type="checkbox"/> Do not recolor	Do not change, alter, or substitute any of the logo's approved colors. Use only the official color versions provided.
<input type="checkbox"/> Do not add effects	Do not apply drop shadows, glows, gradients, bevels, embossing, or filters to the logo.
<input type="checkbox"/> Do not rotate or flip	The logo must always appear upright and in its standard orientation. No rotation, flipping, or mirroring.
<input type="checkbox"/> Do not crop or alter elements	Never crop, rearrange, remove, or modify any part of the logo — including the wordmark, icon, or year mark.
<input type="checkbox"/> Do not recreate or redraw	Always use the official logo files provided by the Communications Office. Do not typeset or hand-draw a replacement.
<input type="checkbox"/> Do not use on unapproved backgrounds	Do not place the logo on busy photography, patterned backgrounds, or colors not listed in the approved background guide without written approval.
<input type="checkbox"/> Do not use outdated versions	Always use the most current logo files. Retired versions of the TranStar logo must not appear in new materials.

- | | |
|---|--|
| <input type="checkbox"/> Do not use for endorsement | The logo may not be used to imply endorsement of any product, service, political candidate, or third-party organization without written authorization. |
| <input type="checkbox"/> Do not animate without approval | Animated versions of the logo require prior written approval from the Chief Communications Officer. |

QUESTIONS OR APPROVAL REQUESTS

All uses not explicitly covered in these guidelines require written approval from the Houston TranStar Chief Communications Officer prior to publication or distribution.
